We cannot guarantee that any of our menu items are safe to consume for people with shellfish, nut, soy, dairy, egg, wheat or other food allergies. Some of our food items are prepped in advance and anything that is fried will be unsafe for anyone with allergies because the fryers are used to cook a wide variety of food items. If customers with allergies order whole foods, we will take additional measures to prevent as much as possible and or minimize cross contamination with other foods. We cannot guarantee any type of shellfish removed from their original shells will be 100% free of shell fragments.
